* The appropriation of earnings for 2022 are to be presented for approval in ASPEED's shareholders' meeting to be held on May 30, 2023 (expected).

* 2022 EPS was diluted by 9% due to capital surplus transferred to common stock and shares buyback

Earning distributions:

- Employee bonus can not be less than 8%
- Board directors bonus no higher than 3%
- With respect to the earnings available for distribution plus the previously cumulative undistributed retained earnings, the Board of Directors may present a proposal to distribute to the Shareholders by way of dividends at the annual general meeting for approval. Having considered the operational, financial and tax factors, including the Company being in the growing stage during the business life cycle and the future expansion projects, any remaining profits may be distributed in the form of cash dividends and/or shares, and the cash dividends shall be no less than 10% of such remaining profits to be distributed
